Provisions Relating to Voting of Proxies

The shares represented by Proxy in the form provided to shareholders will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him. If there is no direction by the registered shareholder, those shares will be voted for all proposals set out in the Proxy and for the election of directors and the appointment of the auditors as set out in this Circular. The Proxy gives the person named in it the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, the management of the Company (the "Management") knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold common shares in their own name. Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders who appear on the records maintained by the Company's registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting.

If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those common shares will likely not be registered in the shareholder's name. Instead, such common shares will generally be registered under the name of the shareholder's broker or an agent or nominee of that broker. In Canada, many such shares are registered in the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, many such common shares are registered under the name of Cede & Co. (the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms).

Common shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted on, or withheld from voting, in accordance with the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares held for their clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be

carefully followed by Beneficial Shareholders to ensure that their common shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. Many brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote for common shares directly at the Meeting. Those VIFs must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting to have the common shares voted. If you have any questions regarding the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

The Notice of Meeting, Circular, Proxy and VIF, as applicable, are being provided to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuer of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuer of the securities which they own (“**NOBOs**”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Pursuant to the provisions of NI 54-101, the Company is providing the Notice of Meeting, Circular and Proxy or VIF, as applicable, to both registered owners of the securities and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF. As a result, if you are a non-registered owner of the securities, you can expect to receive a scannable VIF from the Transfer Agent. Please complete and return the VIF to the Transfer Agent in the envelope provided or by facsimile. In addition, internet voting instructions can be found on the VIF. The Transfer Agent will tabulate the results of the VIFs received from the Company’s NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO’s intermediary does not assume the costs of delivery of those documents if the OBO wishes to receive them, the OBO may not receive the documentation.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of the shareholder’s broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote such common shares in that capacity.

NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:00 a.m. (Pacific Time) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their common shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in the Notice of Meeting, Circular and the accompanying Proxy are to registered shareholders of the Company as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

Stock Option Plans and Other Incentive Plans

Omnibus Share Incentive Plan

The Company has adopted an omnibus share incentive plan (the "**Plan**"), to provide for the grant of stock options ("**Options**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**"), deferred share units ("**DSUs**") and other share-based awards permitted thereunder (collectively, the "**Awards**"). The Plan was approved by the shareholders at an annual general and special meeting of shareholders held on December 14, 2023.

The purpose of the Plan is to assist the Company in attracting, retaining and motivating directors, officers, employees and consultants of the Company and its affiliates, and more closely align the personal interest of such persons with the interests of the Company and its shareholders.

The Plan is a "rolling" 10% security-based compensation plan. Accordingly, subject to the policies of the Canadian Securities Exchange ("**CSE**"), the maximum number of common shares in the capital of the Company (the "**Common Shares**") reserved for issuance pursuant to all Awards granted under the Plan shall not exceed 10% of the issued and outstanding common shares from time to time, determined as at the date of grant or issuance of an Award.

The Plan is administered by the Board, which has the authority, subject to the terms of the Plan and applicable regulatory requirements, to determine the persons to who Awards may be granted, the number of common shares subject to each Award, the exercise price, vesting provisions, expiry dates and any other terms and conditions applicable to such Awards.

Under the policies of the CSE, rolling security-based compensation plans must be reconfirmed by

shareholders every three years. Accordingly, shareholders will be asked at the Meeting to reconfirm the Plan.

The Exploration Agreement may be terminated by either party upon 30 days’ written notice.

The agreements with Bugden Exploration Inc. do not contain any provisions relating to change of control, severance, termination or constructive dismissal or incremental payments upon the occurrence of any such event.

Oversight and Description of Director and Named Executive Officer Compensation

The Board is responsible for determining and administering the compensation of the Company’s NEOs. During the financial year ended June 30, 2025, the Board assessed the compensation payable to the Company’s NEOs and evaluated their performance. See “Employment, Consulting and Management Agreements” below for additional information.

The Company does not currently maintain formal compensation objectives, criteria, benchmarks or performance goals for its NEOs. The Board monitors the performance of the NEOs on an ongoing basis and expects management to carry out its duties in a manner that advances the business objectives and overall interests of the Company.

As the Company advances its exploration activities and business operations, the Board expects that base salary and other forms of compensation may become a more significant component of executive compensation. In determining compensation levels, the Board may consider factors such as:

- the executive’s responsibilities and experience;
- the amount of time devoted to the Company’s affairs;
- the Company’s financial condition and stage of development;
- individual and corporate performance; and
- compensation practices of other publicly listed junior mineral exploration issuers at a similar stage of development.

Another component of executive compensation may include the grant of stock options or other equity-based awards pursuant to the Company’s omnibus share incentive plan. The objective of such awards is to align the interests of directors, officers, employees and consultants with the long-term interests of the Company and its shareholders, while assisting the Company in attracting, retaining and motivating qualified individuals.

In addition to, or in lieu of, salary and equity compensation, the Company may from time to time pay management or consulting fees to directors, officers or companies controlled by them for services provided to the Company. Such compensation is intended to reflect competitive industry rates for services of a similar nature.

The Company has not retained any compensation consultant or advisor in determining compensation for directors or executive officers.

Compensation paid during the most recently completed financial year should not be viewed as indicative of future compensation levels, as all compensation arrangements are subject to the financial condition, operational requirements and business prospects of the Company.

Pension Disclosure

The Company does not have any pension or retirement plan which is applicable to the NEOs or directors. The Company has not provided compensation, monetary or otherwise, to any person who now or previously has acted as an NEO of the Company, in connection with or related to the retirement, termination or resignation of such person, and the Company has provided no compensation to any such person as a result of a change of control of the Company.

- (b) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves;
- (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities; and

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore such guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders of the Company. Corporate governance also considers the role of the individual members of management appointed by the Board who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Composition of the Board

The Board facilitates its exercise of independent supervision over management by ensuring that the Board is composed of a majority of independent directors. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. The Board has three directors, two of which are considered to be independent. Joseph Cullen and Neal Blackmore are considered to be independent directors for the purposes of NI 58-101 and Alex Bugden are not considered to be independent due to his relationships as senior officer of the Company.

The Board of the Company facilitates its exercise of supervision over Company's management through frequent meetings of the Board.

Mandate of the Board

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company’s business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company’s internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders’ interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company’s business, including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through

the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Company is authorized to act without board approval on all ordinary course matters relating to the Company's business.

The Board also monitors the Company's compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance

Directorships

The following is a list of each director of the Company who is also a director of other reporting issuers (or equivalent) in a Canadian or foreign jurisdiction as of the date of this information circular:

Director	Other Reporting Issuers
Alex Bugden	Metalsource Mining Inc.
Joseph Cullen	Golden Spike Resources Corp. Naughty Ventures Corp. Metalsource Mining Inc.

To the best of our knowledge, there are no known existing or potential conflicts of interest among us and our promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's business, assets and industry and on the responsibilities of directors. Meetings of the Board are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Issuer's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all members of the Board.

Ethical Business Conduct

The Board of Directors has not adopted a formal code of business conduct and ethics. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

Given the Company's current stage of development and size of the Board, the Board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire Board will assess potential nominees and take responsibility for selecting new directors. Any nominees are expected to be generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the Chief Executive Officer of the Company.

The Company has adopted advance notice provisions within the Articles of the Company (the "**Advance Notice Provisions**").

The Advance Notice Provisions are intended to facilitate an orderly and efficient annual and/or special meeting process and ensure that all shareholders receive adequate notice and information about director nominees. The Advance Notice Provisions provide a clear process for shareholders to follow to nominate directors and sets out a reasonable time for nominee submissions to be considered.

The Advance Notice Provisions fix a deadline by which holders of record of the Company's common shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets out the information that a shareholder must include in such notice to the Company. In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 days nor more than 65 days prior to the date of the annual meeting, unless the annual meeting is to be held less than 50 days after the meeting was first announced, in which case notice may be made no later than the close of business on the 10th day after the announcement. In the case of a special meeting of the shareholders, notice to the Company must be made no later than the close of business on the 15th day following public announcement of the date of the special meeting.

Compensation

The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. As well, the number of options to be granted is determined by the Board as a whole, which allows any independent directors to have input into compensation decisions. At this time, the Company does not believe its size and limited scope of operations requires a formal compensation committee.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

Other Board Committees

At the present time, the only standing committee is the Audit Committee. The written charter of the Audit Committee, as required by NI 52-110, is contained in Schedule "A" to this Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON

Re-Approval of Omnibus Share Incentive Plan

At the Meeting, shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution re-approving the Company's omnibus share incentive plan (the "**Plan**").

The Plan was previously adopted by the Board and approved by shareholders. The Plan is a "rolling" 10% share compensation plan pursuant to the policies of the CSE, reserving for issuance a number of common shares of the Company (the "**Shares**") equal to up to 10% of the issued and outstanding Shares of the Company from time to time. As the Plan is a rolling plan, it must receive shareholder approval annually.

The purpose of the Plan is to: (i) attract and retain directors, officers, employees and consultants of the Company and its subsidiaries; (ii) provide such persons with an opportunity to acquire an ownership interest in the Company; and (iii) align the interests of such persons with those of shareholders.

The Plan provides for the grant of Options, RSUs, PSUs and DSUs to eligible participants. The maximum number of Shares reserved for issuance pursuant to all awards granted under the Plan, together with any other security based compensation arrangements of the Company, shall not exceed 10% of the issued and outstanding Shares of the Company from time to time.

The following is a summary of certain provisions of the Plan and is qualified in its entirety by the full text of the Plan, a copy of which is attached as Schedule "B" to this Information Circular.

SUMMARY OF THE PLAN

Eligible Participants

Eligible participants under the Plan include directors, officers, employees and consultants of the Company and its subsidiaries. Persons providing investor relations activities are eligible to receive Options only.

Number of Shares Reserved

The maximum number of Shares issuable pursuant to outstanding awards under the Plan shall not exceed 10% of the Company's issued and outstanding Shares from time to time.

Participation Limits

The Plan contains the following limitations:

- the maximum number of Shares issuable to insiders, at any time, under the Plan and any other security based compensation arrangements, shall not exceed 10% of the issued and outstanding Shares;
- the maximum number of Shares issued to insiders within any one-year period shall not exceed 10% of the issued and outstanding Shares;
- the maximum number of Shares issuable to any one participant within any one-year period shall not exceed 5% of the issued and outstanding Shares;

- the maximum number of Shares issuable to any one consultant within any one-year period shall not exceed 2% of the issued and outstanding Shares; and
- the maximum number of Shares issuable to persons performing investor relations activities within any one-year period shall not exceed 2% of the issued and outstanding Shares.

Stock Options

Options granted under the Plan will have an exercise price determined by the Board, provided that such price shall not be lower than the market price of the Shares at the time of grant, subject to any discounts permitted by the CSE.

Options may be granted for a term of up to ten years from the date of grant.

RSUs, PSUs and DSUs

The Plan permits the grant of RSUs, PSUs and DSUs to eligible participants, subject to such vesting and performance conditions as may be determined by the Board. RSUs and PSUs are intended to reward participants for services rendered and performance achieved, while DSUs are intended primarily for non-employee directors and are redeemable following termination of service.

Amendment Provisions

Subject to applicable law and CSE requirements, the Board may amend, suspend or terminate the Plan or any award granted thereunder without shareholder approval for certain administrative or housekeeping matters. Shareholder approval will be required for amendments requiring shareholder approval under applicable law or CSE policies, including amendments to increase the number of Shares reserved under the Plan or extend the term of options held by insiders.

As at the date of this Information Circular, the Company does not have any awards outstanding.

Accordingly, shareholders will be asked to consider and, if deemed advisable, pass the following ordinary resolution:

“BE IT RESOLVED, as an ordinary resolution of the shareholders of the Company, that:

1. the Company’s omnibus share incentive plan, as more particularly described in the management information circular of the Company dated June 12, 2026 (the “Plan”), be and is hereby ratified, confirmed and approved and shall continue and remain in effect until further ratification is required, being July 17, 2029, or three years from the date of prior receipt of shareholder approval, pursuant to the rules of the Canadian Securities Exchange or other applicable regulatory requirements;

4. any one director or officer of the Company be and is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents and instruments and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to this resolution.”

Management recommends that shareholders vote FOR approval of the Plan. Unless authority to do so is withheld, the persons named in the accompanying form of proxy intend to vote FOR the foregoing resolution.

OTHER MATTERS TO BE ACTED UPON

It is not known whether any other matters will come before the Meeting other than those set forth above and in the Notice of Meeting, but if any other matters do arise, the person named in the Proxy intends to vote on any poll, in accordance with his or her best judgement, exercising discretionary authority with respect to amendments or variations of matters set forth in the Notice of Meeting and other matters which may properly come before the Meeting or any adjournment of the Meeting.

Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Issuer's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Issuer's financial reporting and internal control system and review the Issuer's financial statements.
- Review and appraise the performance of the Issuer's external auditors.
- Provide an open avenue of communication among the Issuer's auditors, financial and senior management and the Board.

Composition

The Committee will be composed of three directors from the Board, the majority of whom are not employees or senior officers of the Issuer.

At least one member of the Committee has accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Issuer's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Issuer's financial statements.

The members of the Committee shall be elected by the Board at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet at least twice annually, or more frequently as circumstances dictate. As part of its job of fostering open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

- (a) Review and update this Charter annually.
- (b) Review the Issuer's financial statements, MD&A and any annual and interim earnings, press releases before the Issuer publicly discloses this information and any reports or other financial information

(including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.

- (c) Review annually the performance of the external auditors who shall be ultimately accountable to the Board and the Committee as representatives of the shareholders of the Issuer.
- (d) Obtain annually, a formal written statement of external auditors setting forth all relationships between the external auditors and the Issuer, consistent with Independence Standards Board Standard 1.
- (e) Review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors.
- (f) Take, or recommend that the full Board take appropriate action to oversee the independence of the external auditors.
- (g) Recommend to the Board the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval.
- (h) At each meeting, consult with the external auditors, without the presence of management, about the quality of the Issuer's accounting principles, internal controls and the completeness and accuracy of the Issuer's financial statements.
- (i) Review and approve the Issuer's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Issuer.
- (j) Review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements.
- (k) Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Issuer's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Issuer constitutes not more than five percent of the total amount of revenue paid by the Issuer to its external auditors during the fiscal year in which the non-audit services are provided;
 - (ii) such services were not recognized by the Issuer at the time of the engagement to be non-audit services; and
 - (iii) such services are promptly brought to the attention of the Committee by the Issuer and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Committee.

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.

- (m) Consider the external auditors' judgments about the quality and appropriateness of the Issuer's accounting principles as applied in its financial reporting.
- (n) Consider and approve, if appropriate, changes to the Issuer's auditing and accounting principles and practices as suggested by the external auditors and management.

Section 2.02 Implementation and Administration of the Plan.

- (1) The Plan shall be administered and interpreted by the Board or, if the Board by resolution so decides, by a committee or plan administrator appointed by the Board. If such committee or plan administrator is appointed for this purpose, all references to the "Board" herein will be deemed references to such committee or plan administrator. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of a Stock Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. - (5) No new grants of options will be made under the Existing Option Plan.
- (6) Shares of the Company covered by Awards which have been exercised or settled, as applicable in cash, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Plan and the number of Awards that may be granted under the Omnibus Plan increases if the total number of issued and outstanding Shares of the Company increases, subject to the limits set forth in Section 2.05 below.

No other form of Award other than Options may be granted to any Person retained to provide Investor Relations Activities.
- (7) In the event that any Dividend Equivalent is awarded in respect of Share Unit or DSU which would cause the number of Shares reserved for issuance under this Plan to exceed ten percent (10%) of the Outstanding Issue or otherwise cause any of the limits in this section 2.5 not to be met, the Board shall be permitted to satisfy such Dividend Equivalent through the payment of a Cash Equivalent.
- (8) The participation limits set forth in in this Section 2.05 shall apply to any payout multiplier features determined in relation to the issuance or grant of any Share Unit. In the event that any such multiplier feature would cause the number of Shares reserved for issuance under this Plan to exceed ten percent (10%) of the Outstanding Issue or otherwise cause any of the limits in this section 2.5 not to be met, the Board shall be permitted to satisfy such obligation through the payment of a Cash Equivalent.

Section 2.06 Granting of Awards.

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

Article III. OPTIONS

Section 3.01 Nature of Options.

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Option Price, but subject to the provisions hereof. The Option Price for Shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted, but shall not be less than the Market Value of such Shares at the date of the grant, less any discount permitted by the Exchange. A minimum exercise price cannot be established unless the Options are allocated to particular Participants.

Section 3.04 Option Term.

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten (10) years from the date the Option is granted (“**Option Term**”).
- (2) Should the expiration date for an Option fall within a Black-Out Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth (10th) Business Day after the end of the Black-Out Period, such tenth (10th) Business Day to be considered the expiration date for such Option for all purposes under the Plan. Notwithstanding anything else herein contained, the ten (10) Business Day period referred to in this Section 3.4 may not be further extended by the Board.

Section 3.05 Exercise of Options.

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

Section 3.06 Method of Exercise and Payment of Purchase Price.

- (1) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.05 hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office to the attention of the Corporate Secretary of the Company (or the individual that the Corporate Secretary of the Company may from time to time designate) or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by payment, in full, of (a) the Option Price multiplied by the number of Shares specified in such Exercise Notice, and (b) such amount in respect of withholding taxes and other applicable source deductions as the Company may require under Section 8.02. Such payment shall be in the form of cash, certified

cheque, bank draft or any other form of payment deemed acceptable by the Board.

- (2) Upon the exercise of an Option, the Company shall, as soon as practicable after such exercise and receipt of all payments required to be made by the Participant to the Company in connection with such exercise, but no later than ten (10) Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares either to:
 - (a) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
 - (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) Subject to the rules and policies of the Stock Exchange, the Board may, in its discretion and at any time, determine to grant a Participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grant a Participant the right to receive, without payment of any cash other than pursuant to Section 8.02, that number of Shares, disregarding fractions, which is equal to quotient obtained by dividing (i) the product of that number of Options being exercised multiplied by the difference between the VWAP on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price by the VWAP of the underlying Shares. The Cashless Exercise Right shall not be available in respect of Options granted to Participants providing Investor Relations Activities.
- (4) In the event the Company determines to accept the Participant’s request pursuant to a Cashless Exercise Right, the Company shall make an election pursuant to subsection 110(1.1) of the Tax Act.
- (5) No fractional Shares will be issued upon the exercise of Options granted under the Plan and accordingly, if a Participant would become entitled to a fractional Share upon the exercise of an Option, or from an adjustment pursuant to Section 7.01, such Participant will only have the right to acquire the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

Section 3.07 Option Agreements.

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax (including, in respect of Canadian Participants, such terms and conditions so as to ensure that the Option shall be continuously governed by section 7 of the ITA) or other laws in

force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or provide services in or the rules of any regulatory body having jurisdiction over the Company.

Article IV.
RESTRICTED AND PERFORMANCE SHARE UNITS

Section 4.01 Nature of RSUs.

A Share Unit is an Award that is a bonus for services rendered, that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board or to receive the Cash Equivalent or a combination thereof, as the case may be, pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such Share Unit expires prior to being settled.

Restrictions and conditions on vesting may, without limitation, be based on the passage of time during continued employment (or other service relationship) (sometimes referred to as a “**Restricted Share Unit**” or “**RSU**”), the achievement of Performance Criteria, which criteria may be based upon the achievement of individual goals or corporate goals and may be applied relative to performance relative to an index or comparator group, or any other basis (sometimes referred to as a “**Performance Share Unit**” or “**PSU**”).

Unless otherwise provided in the applicable Share Unit Agreement, it is intended that Share Units awarded to U.S. Taxpayers will be exempt from Code Section 409A under U.S. Treasury Regulation section 1.409A1(b)(4), and accordingly such Share Units will be settled/redeemed by March 15th of the year following the year in which such Share Units are not, or are no longer, subject to a substantial risk of forfeiture (as such term is interpreted under Code Section 409A). For greater certainty, upon the satisfaction or waiver or deemed satisfaction of all Performance Criteria and other vesting conditions, the Share Units of U.S. Taxpayers will no longer be subject to a substantial risk of forfeiture, and will be settled/redeemed by March 15th of the following year (the “**U.S. Share Unit Outside Expiry Date**”). It is intended that, in respect of Share Units granted to Canadian Participants as a bonus for services rendered in the year of grant, neither the Plan nor any Share Units granted hereunder will constitute a “salary deferral arrangement” as defined in subsection 248(1) of the Tax Act, by reason of the exemption in paragraph (k) thereof. All Share Units granted hereunder shall be in addition to, and not in substitution for or in lieu of, ordinary salary and wages received or receivable by any Canadian Participant in respect of his or her services to the Company or a Subsidiary, as applicable

Section 4.02 Share Unit Awards.

- (1) Subject to the provisions herein and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Share Units under the Plan, (ii) fix the number of Share Units, if any, to be granted to each Eligible Participant and the date or dates on which such Share Units shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restriction Period of such Share Units, (provided, however, that no such Restriction Period shall be less than 12 months and shall not exceed the three years referenced in Section 4.03) and (iv) any other terms and conditions applicable to the granted Share Units, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any Share Unit Agreement.

- (2) All Share Units granted herein shall vest in accordance with the terms of the Share Unit Agreement in respect of such Share Units, provided that no Share Unit will vest on a date earlier than the date which is one year following issuance, subject to Section 7.02 or, at the discretion of the Board, in the case of the death of Participant.
- (3) Subject to the vesting and other conditions and provisions in this Plan and in the applicable Share Unit Agreement, each Share Unit awarded to a Participant shall entitle the Participant to receive, on settlement, one Share, the Cash Equivalent or any combination thereof as the Board in its sole discretion may determine, in each case less any applicable withholding taxes. For greater certainty, no Participant shall have any right to demand to be paid in, or receive, Shares in respect of any Share Unit, and notwithstanding any discretion by the Board to settle any Share Unit, or a portion thereof, in the form of Shares, the Board reserves the right to change such form of payment at any time until payment is actually made.
- (4) For greater certainty, Share Units that are subject to Performance Criteria may not become fully vested by the last day of the Restriction Period.

Section 4.03 Share Unit Agreements.

- (1) Share Units shall be evidenced by a Share Unit Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The Share Unit Agreement shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions which are not inconsistent with this Plan and which the Board deems appropriate for inclusion, which may contain any such terms that the Company considers necessary in order that the Share Unit will comply with any provisions respecting share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company. The provisions of the various Share Unit Agreements under this Plan need not be identical.
- (2) The Share Unit Agreement shall contain such terms that the Company considers necessary in order that the Share Units granted to U.S. Taxpayers will comply with Code Section 409A and any provisions respecting restricted share units in the income tax laws (including, in respect of Canadian Participants, such terms and conditions so as to ensure that the Share Units shall not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the Tax Act, by reason of the exemption in paragraph (k) thereof) or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or provide services in or the rules of any regulatory body having jurisdiction over the Company.

Section 4.04 Vesting Conditions.

The Board shall have the sole discretion to (a) determine if any vesting conditions with respect to a Share Unit, including any Performance Criteria or other vesting conditions contained in the applicable Share Unit Agreement, have been met, (b) waive the vesting conditions applicable to Share Units (or deem them to be satisfied) and (c) extend the Restriction Period with respect to any grant of Share Units, provided that any such extension shall not result in the Restriction Period for such Share Units extending beyond the Share Unit Outside Expiry Date. The Company shall communicate to a Participant, as soon as reasonably practicable, the date on which all such applicable vesting conditions in respect of a grant of Share Units to the Participant have been satisfied, waived or deemed satisfied and such Share Units have vested (the "**Vesting Determination Date**"). Notwithstanding the foregoing, if the

date on which any Share Units would otherwise vest falls within a Blackout Period, the Vesting Date of such Share Units will be deemed to be the date that is the earlier of (i) ten Business Days after the date on which a Blackout Period expires (which ten Business Day period may not be further extended by the Board) and (ii) the Share Unit Outside Expiry Date in respect of such Share Units, provided that in no event will the redemption and settlement of any Share Units of a Participant who is a U.S. Taxpayer be delayed beyond March 15th of the calendar year immediately following the year in which such Share Units are not, or are no longer, subject to a substantial risk of forfeiture (as such term is interpreted under Code Section 409A) . All unvested Share Units shall be cancelled on the Vesting Determination Date and, in any event, all unvested Share Units shall be cancelled no later than the last day of the Restriction Period.

Section 4.05 Settlement of RSUs.

- (1) Except as otherwise provided in the Share Unit Agreement, all of the vested Share Units covered by a particular grant shall be settled as soon as practicable and in any event within the earliest of (a) the 15th day following the applicable Vesting Determination Date for such vested Share Units (or, if such day is not a Business Day, on the immediately following Business Day), (b) the Share Unit Outside Expiry Date, and (c) in the case of a Participant who is a U.S. Taxpayer, the U.S. Share Unit Outside Expiry Date (the “**Settlement Date**”).
- (2) Subject to the provisions of this Section 4.05 and Section 4.06, during the period between the Vesting Determination Date and the Settlement Date in respect of a Participant's vested Share Units, the Company (or any Subsidiary that is party to an Employment Agreement or Consulting Agreement with the Participant whose vested Share Units are to be settled) shall, at its sole discretion, be entitled to elect to settle all or any portion of the vested Share Units for their Cash Equivalent, for Shares or any combination thereof.
- (3) Settlement of a Participant's vested Share Units shall take place on the Settlement Date, shall be subject to Section 8.02 and shall take place through:
 - (a) in the case of settlement of Share Units for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (b) in the case of settlement of Share Units for Shares (which may include Shares purchased from all or any portion of the Cash Equivalent in the secondary market by a Designated Broker):
 - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, subject to satisfaction of any applicable withholding tax and other applicable source deductions in accordance with Section 8.02; or
 - (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, subject to satisfaction of any applicable withholding tax and

other applicable source deductions in accordance with Section 8.02, which Shares shall be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or

- (c) in the case of settlement of the Share Units for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.
 - (d) where the Company or a Subsidiary has elected to settle a portion, but not all, of the Participant's vested Share Units in Shares, the Participant shall be deemed to have instructed the Company or Subsidiary, as applicable, to withhold from the cash portion of the payment to which the Participant is otherwise entitled such amount as may be required in accordance with Section 8.2 and to remit such withheld amount to the applicable taxation authorities on account of any withholding tax obligations, and the Company or Subsidiary, as applicable, shall deliver any remaining cash payable, after making any such remittance, to the Participant (or to the legal representative of the Participant, if applicable) as soon as reasonably practicable. In the event that the cash portion payable to settle a Participant's Share Units in the foregoing circumstances is not sufficient to satisfy the withholding obligations of the Company or a Subsidiary pursuant to Section 8.2, the Company or Subsidiary, as applicable, shall be entitled to satisfy any remaining withholding obligation by any other mechanism as may be required or determined by the Company or Subsidiary as appropriate;
- (4) Notwithstanding any other provision of this Article 4, no payment, whether the Cash Equivalent or Shares, shall be made in respect of the settlement of any Share Units later than December 15th of the third (3rd) calendar year following the end of the calendar year in respect of which such Share Unit is granted (the “**Share Unit Outside Expiry Date**”).

Section 4.06 Determination of Amounts.

- (1) For purposes of determining the Cash Equivalent of Share Units to be made pursuant to Section 4.05, such calculation will be made on the Settlement Date based on the Market Value on the Settlement Date multiplied by the number of vested Share Units in the Participant's Account to settle in cash.
- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of Share Units pursuant to Section 4.05, such calculation will be made on the Settlement Date based on the whole number of Shares equal to the whole number of vested Share Units then recorded in the Participant's Account to settle in Shares.
- (3) All such amounts shall be subject to any adjustments in accordance with Section 7.01 and any withholding required pursuant to Section 8.02. Where, as a result of such adjustment pursuant to Section 7.01 and/or any withholding required pursuant to Section 8.02, the aggregate number of Shares to be received by a Participant, upon an election by the Company, to settle all or a portion of the Participant's vested Share Units in Shares includes a fractional Share, the aggregate number of Shares to be received by the Participant shall be rounded down to the nearest whole number of Shares.

Section 4.07 Award of Dividend Equivalents.

- (1) Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested Share Units in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional Share Units, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of Share Units in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional Share Units credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 4.08 shall have a Vesting Determination Date which is the same as the Vesting Determination Date for the Share Units in respect of which such additional Share Units are credited.
- (2) In the event that the Participant's applicable Share Units do not vest, all Dividend Equivalents, if any, associated with such Share Units will be forfeited by the Participant and returned to the Company's account.

Article V. DEFERRED SHARE UNITS

Section 5.01 Nature of DSUs.

A DSU is an Award for services rendered, or for future services to be rendered, and that, upon settlement, entitles the recipient Participant to receive Shares (which may include Shares purchased in the secondary market by a Designated Broker) as determined by the Board in its sole discretion, or to receive the Cash Equivalent or a combination thereof, as the case may be, and is payable after Termination of the Participant unless such DSU expires prior to being settled.

For greater certainty, the aggregate of all amounts each of which may be received in respect of a DSU shall depend, at all times, on the fair market value of shares in the capital of the Company or any corporation related (within the meaning of the Tax Act) thereto within the period that commences one year prior to the Participant's Termination Date and ends at the time the amount is received

Section 5.02 DSU Awards.

- (1) Subject to the provisions of this Plan, any shareholder or regulatory approval which may be required, and the requirements of paragraph 6801(d) of the Tax Act Regulations and Code Section 409A, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSUs under the Plan, (ii) fix the number of DSUs, if any, to be granted to any Eligible Participant and the date or dates on which such DSUs shall be granted, and (iii) determine the relevant conditions and vesting provisions for such DSUs, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement, as applicable.
- (2) All DSUs granted herein shall vest in accordance with the terms of the DSU Agreement entered into in respect of such DSUs. Notwithstanding any express or implied term of this Plan to the contrary, the Board does not have the right to alter the vesting conditions of DSUs, which conditions will immediately vest upon termination of employment, provided that no DSU will

vest on a date earlier than the date which is one year following issuance, subject to Section 7.02 or, at the discretion of the Board, in the case of the death of Participant

- (3) Subject to the vesting and other conditions and provisions in this Plan and in any DSU Agreement, each DSU awarded to a Participant shall entitle the Participant to receive on settlement the Cash Equivalent, or, at the discretion of the Board, one Share or any combination thereof as the Board in its sole discretion may determine. For greater certainty, no Participant shall have any right to demand to be paid in, or receive, Shares in respect of any DSU, and, notwithstanding any discretion exercised by the Company to settle any DSU, or portion thereof, in the form of Shares, the Company reserves the right to change such form of payment at any time until payment is actually made.

Section 5.03 DSU Agreements.

- (1) DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. Such DSU Agreement shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with this Plan and which the Board deems appropriate for inclusion in a DSU Agreement. The provisions of the various DSU Agreements issued under this Plan need not be identical.
- (2) Each DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU granted thereunder to U.S. Taxpayers will comply with Code Section 409A and comply with any provisions respecting deferred share units in the income tax (including, in respect of Canadian Participants, such terms and conditions so as to ensure that the DSUs shall not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the Tax Act by reason of the exemption in paragraph 6801(d) of the Tax Act Regulations) or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 5.04 Settlement of DSUs.

- (1) Except as otherwise provided in this Section 5.04 or Section 8.08 of this Plan, (i) DSUs of a Participant who is a U.S. Taxpayer shall be redeemed and settled by the Company as soon as reasonably practicable following the Participant's Separation from Service, and (ii) DSUs of a Participant who is a Canadian Participant (or who is neither a U.S. Taxpayer nor a Canadian Participant) shall be redeemed and settled by the Company as soon as reasonably practicable following the Participant's Termination Date, but in any event not later than, and any payment (whether in Cash Equivalent or in Shares) in respect of the settlement of such DSUs shall be made no later than, December 15th of the first (1st) calendar year commencing immediately after the Participant's Termination Date (the "**Filing Date**"). Notwithstanding the foregoing, if a payment in settlement of DSUs of a Participant who is both a U.S. Taxpayer and a Canadian Participant:
 - (a) is required as a result of his or her Separation from Service in accordance with clause (i) above, but such payment would result in such DSUs failing to satisfy the requirements of paragraph 6801(d) of the Tax Act Regulations, and the Board determines that it is not

practical to make such payment in some other manner or at some other time that complies with both Code Section 409A and paragraph 6801(d) of the Tax Act Regulations, then such payment will be made to a trustee to be held in trust for the benefit of the Participant in a manner that causes the payment to be included in the Participant's income under the Code but does not contravene the requirements of paragraph 6801(d) of the Tax Act Regulations, and the amount shall thereafter be paid out of the trust at such time and in such manner as complies with the requirements of paragraph 6801(d) of the Tax Act Regulations; or

- (b) is required pursuant to clause (ii) above, but such payment would result in such DSUs failing to satisfy the requirements of Code Section 409A because the Participant has not experienced a Separation from Service, and if the Board determines that it is not practical to make such payment in some other manner or at some other time that satisfies the requirements of both Code Section 409A and paragraph 6801(d) of the Tax Act Regulations, then the Participant shall forfeit such DSUs without compensation therefor.
- (2) In the event of the death of a Participant, the Company will, subject to Section 8.02, make payment of the DSU Settlement Amount within two months of the Participant's death to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the Settlement Amount, the Filing Date shall be the date of the Participant's death. The entitlement of a deceased Participant's legal representative to make a claim in relation to the DSU Settlement Amount shall not exceed 12 months following the Participant's death.
 - (3) For greater certainty, the Company shall not pay any DSU Settlement Amount prior to the Company being satisfied, in its sole discretion, that all applicable withholding taxes and other applicable source deductions under Section 8.02 will be timely withheld or received and remitted to the appropriate taxation authorities in respect of any particular Participant and any particular DSUs.
 - (4) Subject to the terms of the DSU Agreement, including the satisfaction or, at the discretion of the Board, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the Filing Date, and take the form as determined by the Board, in its sole discretion. Settlement of DSUs shall be subject to Section 8.02 and shall take place through:
 - (a) in the case of settlement of DSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the DSU Settlement Amount subject to satisfaction of any applicable withholding tax and other applicable source deductions under Section 8.02;
 - (b) in the case of settlement of DSUs for Shares (which may include Shares purchased from all or any portion of the Cash Equivalent in the secondary market by a Designated Broker):
 - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the

Participant intends to simultaneously dispose of any such Shares); or

- (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
- (c) in the case of settlement of the DSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above. Where the Company has elected to settle a portion, but not all, of the Participant's DSUs in Shares, the Participant shall be deemed to have instructed the Company to withhold from the cash portion of the payment to which the Participant is otherwise entitled such amount as may be required in accordance with Section 8.02 and to remit such withheld amount to the applicable taxation authorities on account of any withholding obligations of the Company, and the Company shall deliver any remaining cash payable, after making any such remittance, to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) as soon as reasonably practicable. In the event that the cash portion elected by the Company to settle the Participant's DSUs is not sufficient to satisfy the withholding obligations of the Company pursuant to Section 8.02, any remaining amounts shall be satisfied by the Company by any other mechanism as may be required or determined by the Company as appropriate.

Section 5.05 Determination of Amount.

- (1) For purposes of determining the Cash Equivalent of DSUs to be made pursuant to Section 5.04 such calculation will be made on the Filing Date based on the Market Value on the Filing Date multiplied by the number of vested DSUs in the Participant's Account to settle in cash. For the avoidance of doubt, the Cash Equivalent to be paid to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) in respect of a particular settlement of the Participant's DSUs shall subject to any adjustment in accordance with Section 7.01 and any withholding required pursuant to Section 8.02.
- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.04, such calculation will be made on the Filing Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares, such that each DSU elected to be settled in Shares shall be paid through the issuance of one Share.
- (3) For the avoidance of doubt, the Cash Equivalent or any Shares to be paid to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) in respect of a particular settlement of the Participant's DSUs shall subject to any adjustment in accordance with Section 7.01 and any withholding required pursuant to Section 8.02. Where, as a result of any adjustment in accordance with Section 7.01 and/or any withholding required pursuant to Section 8.02, the aggregate number of Shares to be received by a Participant upon an election by the Company to settle all or a portion of the Participant's DSUs includes a fractional Share, the aggregate number of Shares to be received by the Participant shall be

rounded down to the nearest whole number of Shares.

Section 5.06 Award of Dividend Equivalents.

- (1) Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional DSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of DSUs in such Participant's Account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional DSUs credited to a Participant's Account as a Dividend Equivalent pursuant to this Section 5.08 shall be subject to the same terms and conditions (including vesting conditions) as the underlying DSU in respect of which such DSUs are credited.
- (2) In the event that the Participant's applicable DSUs do not vest, all Dividend Equivalents, if any, associated with such DSUs will be forfeited by the Participant.

Article VI. GENERAL CONDITIONS

Section 6.01 General Conditions Applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (1) **Vesting Period.** Each Award granted hereunder shall vest in accordance with the terms of this Plan and the Award Agreement entered into in respect of such Award. Subject to Section 5.02(2), the Board has the right to accelerate the vesting of any Award, or to deem any Performance Criteria or other vesting conditions to be satisfied, notwithstanding the vesting schedule set forth for such Award, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration. No acceleration of the vesting of Shares Units or DSUs will occur that would cause the vesting of such Share Units or DSUs to occur earlier than one year following the date of issuance or grant, subject to Section 7.02 below or in the case of the death of a Participant.
- (2) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Affiliates in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.
- (3) **Grant of Awards.** Eligibility to participate in this Plan does not confer upon any Eligible

Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.

- (4) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to Without in any way limiting the generality of the foregoing and except as provided under this Plan, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (5) **Conformity to Plan.** In the event that an Award is granted or an Award Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (6) **Non-Transferability.** Except as set forth herein, each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of descent and distribution. Awards may be exercised only by:
 - (a) the Participant to whom the Awards were granted;
 - (b) upon the Participant's death, by the legal representative of the Participant's estate; or
 - (c) upon the Participant's incapacity, the legal representative having authority to deal with the property of the Participant;

provided that any such legal representative shall first deliver evidence satisfactory to the Company of entitlement to exercise any Award. A Person exercising an Award may subscribe for Shares only in the Person's own name or in the Person's capacity as a legal representative.

- (7) **Participant's Entitlement.** Except as otherwise provided in this Plan (including, without limiting the generality of the foregoing, pursuant to Section 6.02), or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

Section 6.02 General Conditions Applicable to Options.

Except as otherwise provided in any Employment Agreement or Consulting Agreement or in any Award

Agreement, each Option shall be subject to the following conditions:

- (1) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. “Cause” shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company’s codes of conduct and any other reason determined by the Company to be cause for termination.
- (2) **Termination not for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without Cause, (including, for the avoidance of doubt, as a result of any Subsidiary of the Company ceasing to be a Subsidiary of the Company, as contemplated by Section 6.01(7)), (i) each unvested Option granted to such Participant shall terminate and become void immediately upon such termination and (ii) each vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of ninety (90) days after the Termination Date, or the expiry date of the Option set forth in the Award Agreement, after which the vested Option will expire, provided that in no case shall such period exceed 12 months following the Termination Date.
- (3) **Resignation.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the ninety (90) days following the Termination Date and the expiry date of the Option set forth in the Award Agreement, after which the vested Option will expire, , provided that in no case shall such period exceed 12 months following the date of resignation
- (4) **Permanent Disability/Retirement.** Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) each unvested Option shall terminate and become void immediately, and (ii) each vested Option will cease to be exercisable on the earlier of the ninety (90) days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or any Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Award Agreement, after which the vested Option will expire.
- (5) **Death.** Upon a Participant ceasing to be an Eligible Participant by reason of death, each vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the “Vested Awards”) on the date of such Participant’s death. Such Vested Awards shall only be exercisable within twelve (12) months after the Participant’s death or prior to the expiration of the original term of the Options whichever occurs earlier.

- (6) **Leave of Absence.** Upon a Participant electing a voluntary leave of absence of more than twelve (12) months, including maternity and paternity leaves, the Board may determine, at its sole discretion but subject to applicable laws, that such Participant's participation in the Plan shall be terminated, provided that all vested Options shall remain outstanding and in effect until the applicable exercise date, or an earlier date determined by the Board at its sole discretion, provided that in no case shall such period exceed 12 months following a leave of absence exceeding 12 months.

Section 6.03 General Conditions Applicable to Share Units.

Except as otherwise provided in any Employment Agreement or Consulting Agreement or in any Award Agreement, each Share Unit shall be subject to the following conditions:

- (1) **Termination for Cause and Resignation.** Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of his or her resignation from the Company or a Subsidiary, the Participant's participation in the Plan shall be terminated immediately, all Share Units credited to such Participant's Account that have not vested shall be forfeited and cancelled, and the Participant's rights that relate to such Participant's unvested Share Units shall be forfeited and cancelled on the Termination Date. The Participant shall not receive any payment in lieu of cancelled Share Units that have not vested.
- (2) **Death, Leave of Absence or Termination of Service.** Except as otherwise determined by the Board from time to time, at its sole discretion, upon a Participant electing a voluntary leave of absence of more than twelve (12) months, including maternity and paternity leaves, or upon a Participant ceasing to be Eligible Participant as a result of (a) death, (b) retirement, (c) Termination of Service for reasons other than for Cause, (d) his or her employment or service relationship with the Corporation or a Subsidiary being terminated by reason of injury or disability or (e) becoming eligible to receive long-term disability benefits, all unvested Share Units in the Participant's Account as of such date relating to a Restriction Period in progress shall be forfeited and cancelled not later than 12 months following a leave exceeding 12 months or a Participant otherwise have ceased to be an Eligible Participant. Notwithstanding the foregoing, if the Board, in its sole discretion, instead accelerates the vesting or waives vesting conditions with respect to all or some portion of outstanding unvested Share Units, the date of such action is the Vesting Determination Date, which date shall not be earlier than 12 months following the grant or issuance of the Award, other than pursuant to Section 7.02 or in the case of the death of a Participant. The Participant shall not receive any payment in lieu of cancelled Share Units. The entitlement of a deceased Participant's legal representative to make a claim in relation to the unsettled but vested Share Unit shall not exceed 12 months following the Participant's death.
- (3) **General.** For greater certainty, where (i) a Participant's employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 6.03(1) or Section 6.03(2) hereof, or (ii) a Participant elects for a voluntary leave of absence pursuant to Section 6.03(2) hereof, following the satisfaction of all vesting conditions in respect of particular RSUs but before receipt of the corresponding distribution or payment in respect of such RSUs, the Participant shall remain entitled to such distribution or payment.

Article VII.
ADJUSTMENTS AND AMENDMENTS

Section 7.01 Adjustment to Shares.

At any time after the grant of an Award to a Participant and prior to the expiration of the term of such Award or the forfeiture or cancellation of such Award, in the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or Shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Company or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares or Cash Equivalent to which the Participant is entitled upon exercise or settlement of such Award; or
- (c) adjustments to the number or kind of Shares reserved for issuance pursuant to the Plan.

Section 7.02 Change of Control.

- (1) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, to accelerate the vesting of Options to assist the Participants to tender into a takeover bid or participate in any other transaction leading to a Change of Control. For greater certainty, in the event of a take-over bid or any other transaction leading to a Change of Control, the Board shall have the power, in its sole discretion, to (a) provide that any or all Options shall thereupon terminate, provided that any such outstanding Options that have vested shall remain exercisable until the consummation of such Change of Control, and (b) permit Participants to conditionally exercise their vested Options immediately prior to the consummation of the take-over bid and the Shares issuable under such Options to be tendered to such bid, such conditional exercise to be conditional upon the take-up by such offeror of the Shares or other securities tendered to such takeover bid in accordance with the terms of such take-over bid (or the effectiveness of such other transaction leading to a Change of Control). If, however, the potential Change of Control referred to in this Section 7.02 is not completed within the time specified therein (as the same may be extended), then notwithstanding this Section 7.02 or the definition of "Change of Control": (i) any conditional exercise of vested Options shall be deemed to be null, void and of no effect, and such conditionally exercised Options shall for all purposes be deemed not to have been exercised, (ii) Shares which were issued pursuant to the exercise of Options which vested pursuant to this Section 7.02 shall be returned by the Participant to the Corporation and reinstated as authorized but unissued Shares, and (iii) the original terms applicable to Options which vested pursuant to this Section

7.02 shall be reinstated. In the event of a Change of Control, the Board may exercise its discretion to accelerate the vesting of, or waive the Performance Criteria or other vesting conditions applicable to, outstanding Share Units, and the date of such action shall be the Vesting Determination Date of such Share Units.

- (2) If the Company completes a transaction constituting a Change of Control and within twelve (12) months following the Change of Control (i) a Participant who was also an officer or employee of, or Consultant to, the Company prior to the Change of Control has their position, employment or Consulting Agreement terminated, or the Participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then (a) all unvested Options granted to such Participant shall immediately vest and become exercisable, and remain open for exercise until the earlier of (i) their expiry date as set out in the applicable Award Agreement, and (ii) the date that is 90 days after such termination or dismissal; and (b) all unvested Share Units shall become vested, and the date of such Participant's Termination Date shall be deemed to be the Vesting Determination Date.

Section 7.03 Amendment or Discontinuance of the Plan.

- (1) The Board may amend the Plan or any Award at any time without the consent of the Participants, provided that such amendment shall:
- (a) not adversely alter or impair the rights of any Participant, without the consent of such Participant, except as permitted by the provisions of the Plan;
 - (b) be in compliance with applicable law (including Code Section 409A and the provisions of the Tax Act, to the extent applicable), and subject to any regulatory approvals including, where required, the approval of the CSE (or any other stock exchange on which the Shares are listed); and
 - (c) be subject to shareholder approval to the extent such approval is required by applicable law or the requirements of the CSE (or any other stock exchange on which the Shares are listed), provided that the Board may, from time to time, in its absolute discretion and without approval of the shareholders of the Corporation, make the following amendments:
 - (i) any amendment necessary to comply with applicable law (including taxation laws) or the requirements of the CSE (or any other stock exchange on which the Shares are listed) or any other regulatory body to which the Company is subject;
 - (ii) any amendment of a "housekeeping" nature, including, without limitation, amending the wording of any provision of the Plan for the purpose of clarifying the meaning of existing provisions or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, correcting grammatical or typographical errors and amending the definitions contained within the Plan; or
 - (iii) any amendment regarding the administration or implementation of the Plan.
- (2) Notwithstanding Section 7.03(1)(c), the Board shall be required to obtain shareholder approval,

including, if required by the applicable Stock Exchange, disinterested shareholder approval, to make the following amendments:

- (a) any amendment to the maximum percentage or number of Shares that may be reserved for issuance pursuant to the exercise or settlement of Awards granted under the Plan, including an increase to the fixed maximum percentage of Shares or a change from a fixed maximum percentage of Shares to a fixed maximum number of Shares or vice versa, except in the event of an adjustment pursuant to Section 7.01;
 - (b) any amendment to the definition of an Eligible Participant under the Plan;
 - (c) any amendment to the participation limits set out in Section 2.5; or
 - (d) any amendment to this Section 7.03 of the Plan;
- (3) The Board may, by resolution, but subject to applicable regulatory approvals, decide that any of the provisions hereof concerning the effect of termination of the Participant's employment or engagement shall not apply for any reason acceptable to the Board.
- (4) The Board may, subject to regulatory approval, discontinue the Plan at any time without the consent of the Participants provided that such discontinuance shall not materially and adversely affect any Awards previously granted to a Participant under the Plan.
- (5) Notwithstanding the foregoing, any amendment of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the Tax Act Regulations or any successor to such provision.

Article VIII.
MISCELLANEOUS

Section 8.01 Use of an Administrative Agent and Trustee.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent or trustee to administer the Awards granted under the Plan, including for the purposes of making secondary market purchases of Shares for delivery on settlement of an Award, if applicable, and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 8.02 Tax Withholding.

Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of applicable withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.01 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being used to satisfy any withholding and remittance obligations of the Company (and any remaining proceeds, following such withholding and remittance, to be paid to the Participant), (b) by requiring the Participant, as a condition of receiving such Shares, to pay to the Company an amount in cash sufficient to satisfy such withholding, or (c) any other mechanism as may be required or determined by the Company as appropriate.

Section 8.03 Securities Law Compliance.

- (1) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Option, the delivery of any Shares upon exercise of any Option, or the Company's election to deliver Shares in settlement of any Share Units or DSUs, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Stock Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award or exercise of any Option hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (2) No Awards shall be granted, and no Shares shall be issued, sold or delivered hereunder, where such grant, issue, sale or delivery would require registration of the Plan or of the Shares under the securities laws of any jurisdiction or the filing of any prospectus for the qualification of same thereunder, and any purported grant of any Award or purported issue or sale of Shares hereunder in violation of this provision shall be void.
- (3) Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on

sale or resale under applicable securities laws.

- (4) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.
- (5) With respect to Awards granted in the United States or to U.S. Persons (as defined under Regulation S under the U.S. Securities Act) or at such time as the Company ceases to be a "foreign private issuer" (as defined under Regulation S under the U.S. Securities Act), unless the Shares which may be issued upon the exercise or settlement of such Awards are registered under the U.S. Securities Act and any applicable state securities laws, the Awards granted hereunder and any Shares that may be issuable upon the exercise or settlement of such Awards will be considered "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act) or under applicable state securities, as the case may be. Accordingly, any such Awards or Shares issued prior to an effective registration statement filed with the SEC or qualification under applicable state securities laws may not be transferred, sold, assigned, pledged, hypothecated or otherwise disposed by the Participant, directly or indirectly, without registration under the U.S. Securities Act and applicable state securities laws, as the case may be, or unless in compliance with an available exemption therefrom. Certificate(s) representing the Awards and any Shares issued upon the exercise or settlement of such Awards prior to an effective registration statement filed with the SEC, and all certificate(s) issued in exchange therefor or in substitution thereof, will be endorsed with the following or a similar legend until such time as it is no longer required under the applicable requirements of the U.S. Securities Act:

THE SECURITIES REPRESENTED HEREBY [and for Awards, the following will be added: AND ANY SECURITIES ISSUABLE UPON EXERCISE OR SETTLEMENT HERETO] HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "U.S. SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) TO THE COMPANY, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH REGULATION S UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED BY (1) RULE 144 THEREUNDER, IF AVAILABLE, OR (2) RULE 144A THEREUNDER, IF AVAILABLE, AND IN EACH CASE IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT OR ANY APPLICABLE STATE SECURITIES LAWS, AND, IN CONNECTION WITH ANY TRANSFERS PURSUANT TO (C)(1) OR (D) ABOVE, THE SELLER HAS FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OF RECOGNIZED STANDING OR OTHER EVIDENCE, IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE COMPANY, TO THAT EFFECT. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE "GOOD DELIVERY" IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.

Any Participant that is in the United States or is a U.S. Person shall by acceptance of an Award under this Plan be deemed to represent, warrant, acknowledge and agree with the Company that: (A) the Participant is acquiring the Award for his or her own account, as principal, (B) unless otherwise notified by the Company, the Award and the Shares underlying the Award, if

any, have not been registered under the U.S. Securities Act and are “restricted securities” under Rule 144 under the U.S. Securities Act, (C) the certificates representing the Award and any Shares issued upon exercise or settlement thereof will bear the restrictive legend set forth above, and (D) the Company is relying on these representations and warranties to support the conclusion of the Company that the granting of the Award and any Shares issuable upon exercise or settlement thereof do not require registration under the U.S. Securities Act or any applicable state securities laws.

Section 8.04 Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company’s capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Section 8.05 Quotation of Shares.

So long as the Shares are listed on one or more Stock Exchanges, the Company must apply to such Stock Exchange or Stock Exchanges for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on any Stock Exchange.

Section 8.06 No Fractional Shares.

No fractional Shares shall be issued upon the exercise or vesting of any Award granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise or settlement of such Award, or from an adjustment permitted by the terms of this Plan, such Participant shall only have the right to purchase or receive, as the case may be, the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

Section 8.07 Governing Laws.

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

Section 8.08 Code Section 409A

It is intended that any payments under the Plan to U.S. Taxpayers shall be exempt from or comply with Code Section 409A, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes and penalties under Code Section 409A. Solely to the extent that Awards of a U.S. Taxpayer are determined to be subject to Code Section 409A, the following will apply with respect to the rights and benefits of U.S. Taxpayers under the Plan:

- (1) Except as permitted under Code Section 409A, any deferred compensation (within the meaning of Code Section 409A) payable to or for the benefit of a U.S. Taxpayer may not be reduced by,

or offset against, any amount owing by the U.S. Taxpayer to the Company or any of its Affiliates.

- (2) If a U.S. Taxpayer becomes entitled to receive payment in respect of any Share Units or any DSUs that are subject to Code Section 409A, as a result of his or her Separation from Service and the U.S. Taxpayer is a "specified employee" (within the meaning of Code Section 409A) at the time of his or her Separation from Service, and the Board makes a good faith determination that (a) all or a portion of the Share Units or DSUs constitute "deferred compensation" (within the meaning of Code Section 409A) and (b) any such deferred compensation that would otherwise be payable during the six-month period following such Separation from Service is required to be delayed pursuant to the six-month delay rule set forth in Code Section 409A in order to avoid taxes or penalties under Code Section 409A, then payment of such "deferred compensation" shall not be made to the U.S. Taxpayer before the date which is six months after the date of his or her Separation from Service (and shall be paid in a single lump sum on the first day of the seventh month following the date of such Separation from Service) or, if earlier, the U.S. Taxpayer's date of death.
- (3) A U.S. Taxpayer's status as a "specified employee" (within the meaning of Code Section 409A) shall be determined by the Company as required by Code Section 409A on a basis consistent with Code Section 409A and such basis for determination will be consistently applied to all plans, programs, contracts, agreements, etc. maintained by the Corporation that are subject to Code Section 409A.
- (4) Although the Company intends that Share Units will be exempt from Code Section 409A or will comply with Code Section 409A, and that DSUs will comply with Code Section 409A, the Company makes no assurances that the Share Units will be exempt from Code Section 409A or will comply with it. Each U.S. Taxpayer, any beneficiary or the U.S. Taxpayer's estate, as the case may be, is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such U.S. Taxpayer in connection with this Plan (including any taxes and penalties under Code Section 409A), and neither the Company nor any Subsidiary shall have any obligation to indemnify or otherwise hold such U.S. Taxpayer or beneficiary or the U.S. Taxpayer's estate harmless from any or all of such taxes or penalties.
- (5) In the event that the Board determines that any amounts payable hereunder will be taxable to a Participant under Code Section 409A prior to payment to such Participant of such amount, the Company may (a) adopt such amendments to the Plan and Share Units and appropriate policies and procedures, including amendments and policies with retroactive effect, that the Board determines necessary or appropriate to preserve the intended tax treatment of the benefits provided by the Plan and Share Units hereunder and/or (b) take such other actions as the Board determines necessary or appropriate to avoid or limit the imposition of an additional tax under Code Section 409A.
- (6) In the event the Company amends, suspends or terminates the Plan or Share Units as permitted under the Plan, such amendment, suspension or termination will be undertaken in a manner that does not result in adverse tax consequences under Code Section 409A.

Section 8.09 Severability.

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from

the Plan.

Section 8.10 Effective Date of the Plan

The Plan was adopted by the Board on November 6, 2023, and approved by the shareholders of the Company and shall take effect on December 14, 2023.
